The Fund is a prospectus exempt fund and is not subject to the same regulatory requirements as publicly offered investment funds offered by way of prospectus. This material does not form part of an offering document and does not constitute an offer to sell, or a solicitation of an offer to purchase, any securities of the Fund. Any such offer or solicitation may only be made through, and in accordance with, the terms of the subscription agreement and confidential offering memorandum of the Fund (collectively, the "Offering Document"), and the constating documents of the Fund.

Any information or discussion about the current characteristics of this Fund or how the portfolio manager is managing the Fund is not a discussion about material investment objectives or strategies, but solely a discussion of the current characteristics or manner of fulfilling the investment objectives and strategies, and is subject to change without notice.

Hedging: the offset or reduction of the risk associated with all or a portion of an existing investment or group of investments. Cross-hedging is permitted as long as there is a high degree of correlation between changes in the market value of the investment or group of investments to be hedged and the hedging instrument.

Creating effective exposures to certain markets: replication of equity, fixed income, money market, currency or other indices or securities, in order to reduce transaction costs and achieve greater liquidity. Facilitating the investment management process: increase the speed, flexibility and efficiency in the investment management operation of the client account. Enhancing returns: benefiting from a lower cost or locking-in of arbitrage profits, except for private client accounts.

The fund pays a management fee and fixed administration fee to the Manager in respect of Series M. The fund also pays fund costs and transaction costs. For more information about the fees and costs of the fund, please read the prospectus.
