# CIBC PRIVATE POOLS REFERENCE GUIDE

#### Access to specialists from around the world

CIBC Private Pools open architecture structure offers access to the knowledge and expertise of investment managers from across Canada and around the globe. Through its proprietary process, our Total Investment Solutions (TIS) team searches the globe for specialized investment managers to build the program's sophisticated pools.

TIS conducts and delivers in-depth manager research and analysis. The team's mission is to create value through the relentless pursuit of managers who deliver alpha. TIS uses a comprehensive proprietary process to evaluate manager best practices to understand not only investment execution efficiency, but most importantly manager skill—which we believe is the foundation of alpha.
