

Global credit market expertise

Ares Management LLC (Ares) is a global alternative asset manager headquartered in Los Angeles with offices across the U.S., Europe and Asia. The firm has over \$65 billion in total assets under management and is supported by approximately 700 employees across four operating divisions – the Private Equity Group, the Private Debt Group, the Commercial Real Estate Group and the Capital Markets Group.

Ares is a value-oriented, fundamental, bottom-up, credit-focused investment firm. Ares places an emphasis on capital preservation and default avoidance as the primary drivers of outperformance.

Investment philosophy

Ares employs a rigorous, in-depth process that is designed to identify the most attractive risk-adjusted return opportunities within the investable universe and avoid defaults. It is a disciplined approach that is consistent across the Ares platform focused on identifying sustainable business franchises with:

Investment process

Investment strategies are managed by the Ares Capital Markets Group and leverage the breadth and depth of the firm’s global platform.

The deep and experienced analyst pool is organized by industry to better identify relative value opportunities within capital structures.

Analysts maintain a dynamic list of potential investments that are subject to a thorough due diligence process and vetting by the investment committee.

Portfolio managers are able to determine which investment ideas are appropriate in the portfolio strategy taking into consideration: the broader macro environment, investor requirements, and industry and credit concentrations.
